Christmas Lights Offering - At a recent church business meeting our congregation approved making needed upgrades to our sanctuary lighting that will improve the worship experience (and safety) of those in the building and enhance our livestream broadcast. The cost for this project is \$15,000. A special sacrificial offering for this project will be taken on Dec 18 and 25. Since our church giving is significantly behind for the year - please support the Local Church Budget before giving to the Christmas Lights Offering. 10% of what is contributed to the Christmas Lights Offering will be given to Eyes for India. If we reach our \$15,000 goal with this holiday offering, 20 people in India will receive sight restoring surgery!
