More importantly, David is recognized as a man with a heart to serve God and a desire to make a difference.

A percentage of all offerings and sales will be used to support mission efforts such as Compassion International. Compassion has been working among the poorest of the poor for over 60 years. They work in 26 countries and help more than 1.8 million children. Their motivation is their faith in Jesus Christ. Last year alone 250,000 children and parents accepted Christ as Savior.
