A NEW midweek series will start on Wed. evening

Beginning August 17th "Keepers of the Flame"

This is a dramatic series of vignettes that capture the greatest moments of Martin Luther, the Waldenses, Calvin, Zwingli, John Knox and the early life of Ellen White. The light of truth has shone through time and is pointing to the second coming of Jesus Christ and the Biblical basis for prophecy along with the role of the church as the great controversy moves toward its climax.
